

COLUMBUS MIDDLE SCHOOL

Virtual Learning Instructions

Welcome to the 2020-2021 school year. We look forward to providing the **BEST** possible educational experience for our students during this difficult time. Below you will find specifics regarding how students will be provided their on-line educational instruction. With our numbers being so large, your student will be assigned purple or gold days. The times will differ specifically for your child's schedule. "Purple I or Purple II" days are direct instruction on Mondays and Tuesdays and gold days are direct instruction on Thursdays and Fridays. Schedules for virtual learners should be ready, Monday, August 03, 2020.

1. Online

• Online platform via Office 365

- The student will login by going to the district website (columbuscityschools.org)
- At the bottom of the page, click the Office 365 link.
- The student's email will be their student number @columbuscityschools.org (ex. S1234@columbuscityschools.org) and the password is their birthdate (ex. 12/14/2007 or for single digit months and days 6/5/2011).
- **The student number is the same as the number used for Clever.**

IMPORTANT THINGS TO KNOW AND REMEMBER

- On the days your student is not receiving direct instruction, students will login on Teams 365 to complete instruction and submit assignments to be considered present for the day. **(This is mandatory for attendance purposes.)**
- During office hours, the teacher will remain logged on. Students can use this time to work in i-Ready or get assistance as needed.
- Students need two days of i-Ready math and ELA, each session 45 minutes. This will total 90 minutes per week for ELA and math separately. Some minutes have been allocated; however, students will have to work independently as well to receive those minutes.
 - **Testing**
 - During testing time, virtual learners will use the school's safe site to take assessments (i-Ready, CASE, etc.) Parents must transport the student to and from the school's safe site. School personnel will call to schedule an appointment time for testing. CMSD will not provide transportation.
