

# CMS 7th Grade Math

# COTTER MCGEE

Week of September 21st

Hey Mathematicians!

The week of **September 21st**, we are looking at adding, subtracting, multiplying and dividing positive and negative terminating decimals. These skills are very helpful in real life, as these are the skills we use when balancing a budget and handling money.

During class, our first day we will be re-establishing the knowledge the students already have of terminating decimals and how they interact with each other. Our second day in class will be used to make connections between the prior knowledge and how we can apply the use of positive and negative integers along with terminating decimals.

At home, we will try to further this knowledge with practice, activities and assessments. Look in the box below to see what your Hybrid students will be doing each day of the week.

**Attendance**— Students must check-in with HOME-ROOM Teacher by 9am each day receive attendance credit.

**Safe-site** is available for technology access through appointment only. Contact teacher to make appointment or for more info.

**Oct. 9**— Virtual Parent-Teacher Conference

UPDATES

## Day 1: September 23rd

- ⇒ Bellringer: Utilize the Powerpoint/Handout for the Bellringer
- ⇒ Activity: Utilize the Nearpod Activity and Games to Practice using terminating decimals
- ⇒ Assessment: Make sure to turn in your online Nearpod and Teams assignment to receive credit

## Day 2: September 24th

- ⇒ Bellringer: Utilize the Powerpoint/Handout for the Bellringer
- ⇒ Activity: Complete the activity on Teams to practice use of terminating decimals
- ⇒ Assessment: Complete the Quiz through Forms to demonstrate your abilities

## Day 3: September 25th

- ⇒ Bellringer: Utilize the Powerpoint/Handout for the Bellringer
- ⇒ Activity: Watch the video to preview multiplying rational numbers
- ⇒ Assessment: Utilize the Nearpod lesson and turn it in on Teams

PURPLE At home  
GOLD

## Day 1: September 21st

- ⇒ Bellringer: Utilize the Powerpoint/Handout for the Bellringer
- ⇒ Activity: Utilize the Nearpod Activity and Games to Practice Multiplying Integers
- ⇒ Assessment: Make sure to turn in your online Nearpod and Teams assignment to receive credit

## Day 2: September 22nd

- ⇒ Bellringer: Utilize the Powerpoint/Handout for the Bellringer
- ⇒ Activity: Complete the activity on Teams to practice applying Multiplication and Division with Integers
- ⇒ Assessment: Complete the Quiz through Forms to demonstrate your abilities

## Day 3: September 23rd

- ⇒ Bellringer: Utilize the Powerpoint/Handout for the Bellringer
- ⇒ Activity: Watch the video to preview terminating decimals
- ⇒ Assessment: Utilize the Nearpod lesson and turn it in on Teams

# HOMEWORK

STUDENTS WILL COMPLETE 90 MINUTES OF **iReady** EACH WEEK. THEY CAN COMPLETE 25 MINUTES EACH DAY AT HOME USING THEIR CLEVER ACCOUNT.
