

Columbus Middle School
Mrs. Cullen's Science Class

November 30, 2020

This week we will continue our Unit on Cells.

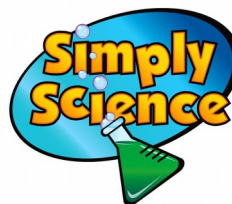

On the first day of students' week, Purple and Gold,
TW explain activity

TSW go over the cell organelles

SW complete cell organelles activity sheets

On the second day, TSW watch and discuss King
Philip's Classification

SW come up with their own analogy for classification.

First We Fly

Follow the rules

Lead by example

Yes, CMS is the Best

Then We Soar

Safe

Outstanding Student

Always Respectful

Responsible
