MajorClarity

District-Wide Implementation Plan - Spring 2023

District Main Contact: <i>Who will own the MajorClarity initiative and monitor usage?</i>	
District Rollout Team:	
What district/state initiatives does the usage of MajorClarity support?	
When and where will students access the platform for each grade/school? Check out our recommended curriculum frameworks.	<ul style="list-style-type: none">- Middle School(s):- High School(s):- CTE:

The diagram shows a circular process with four stages: Plan (top), Implement (right), Reflect/Evaluate (bottom), and Iterate (left). Arrows connect the stages in a clockwise cycle: Plan to Implement, Implement to Reflect/Evaluate, Reflect/Evaluate to Iterate, and Iterate back to Plan.

MajorClarity

USING MAJORCLARITY FOR ISP COMPLETION

The Mississippi Department of Education partnered with MajorClarity to help you meet the following state requirements for Standard 14.1.1 by facilitating career awareness, exploration and post-secondary plans. This guide provides step-by-step resources to help you meet the state mandated requirement.

[Requirements for Standard 14.1.4](#)

1. Start career explorations and career pathway selection with students.
2. Develop the 5 year plan during students' 7th grade year.

The graphic features a blue background with yellow stars and a white question mark icon. A white box contains the requirements for Standard 14.1.4.

Thank you!
